

Comp160

Lab 6

Fall 2018

For this lab you'll be working on defining and uses structs in programs.

Lab 6

Do the following:

- [Exercise 64](#) Be certain to provide a signature, statement of purpose, and tests for the function. Write a header for practice as well.
- [Exercise 76](#) but only the movie and CD structures
- [Exercise 77](#)
- [Exercise 78](#)
- [Exercise 79](#)
- [Exercise 80](#) but only for movie and CD (again)
- Add templates to your answers to exercises 77 and 78
- [Exercise 81](#)
- [Exercise 82](#)
